The 2010 Rim of the World Open Championships will be held Saturday, September 11th and Sunday, September 12th, 2010 at Center Ice Arena, 201 South Plum Ave., Ontario CA. The competition will be conducted in accordance with the rules of U.S. Figure Skating as set forth in the 2010 U.S. Figure Skating Rulebook and as amended at the 2010 Governing Council meeting and any subsequent Technical Notifications that are posted in the USFSA site, except as herein specified. All official bulletins and notices will be posted on the official bulletin board at Center Ice Arena and shall be considered sufficient notice to all competitors, parents, professionals and officials. Decisions of the Referee on all matters will be final. The Referee, along with the Chairpersons, shall have the right to exclude any person whose behavior is unruly and/or is considered to be of an unsportsmanlike nature.

The competition will consist of Singles Free Skating, Compulsory Moves, Artistic and Solo Dance. These events are open to all eligible persons registered with U.S. Figure Skating and to foreign National skaters with a letter of permission from their association. Every effort will be made to enter foreign National skaters in the event appropriate to their skill level. Two competitors comprise an event. Girls and boys may be combined in Snow Flake, Ice Castle and Blue Jay free skating events, all compulsories, all artistic and all solo dance events if there is only one entry in any event.

Skaters may enter either the standard free skating event or Test Track event, but not both.

ELIGIBILITY

Test qualifications are in effect as of Sunday, August 15, 2010 and shall determine eligibility for all events. Any competitor, after entering the competition, who subsequently passes a Free Skate or Pair test after the closing date of entries (August 15, 2010), which makes the competitor ineligible to compete at the level entered, will forfeit his/her ability to compete and no refund of entry fees will be made. Entries may be limited to time allowances, in which case earliest postmarks will prevail.

ENTRIES

All entries must be submitted **no later than midnight Sunday, August 15, 2010**. Entries submitted after this date must use the paper form in this announcement, and will be accepted only at the discretion of the Referee and the Competition Committee. Late entries are subject to a \$25.00 fee, which **must** accompany the entry form.

A discounted online entry is available via www.rowfsc.org by selecting 'The Open' menu item, and clicking on the Online Entry link, or from www.entryeeze.com. Major credit cards are accepted. A 3.5% non-refundable processing fee will be added to the entry fee for all online entries. Coach and/or home club email addresses may be required.

The online processing fee is non-refundable. If only a single entry for an event is received, the entrant will be given the option of skating up a level or performing an exhibition in lieu of a refund.

ADMISSION

Admission is free for all spectators.

FACILITIES

Center Ice Arena contains a single ice surface measuring 85' x 200' with slightly rounded corners.

REGISTRATION

A Registration Desk will be established at the entrance of the Center Ice Arena on the dates of the competition. All competitors must check in at the Registration Desk at least 30 minutes prior to their scheduled event. Events will not be delayed for skaters who arrive late. Events may start up to 30 minutes early at the discretion of the Referee.

MUSIC

For events requiring music, a CD (only) with only one program is to be turned in at the Registration Desk at check-in time for the event, and must be clearly marked with the skater's name and event. CD-RW CDs and tapes will not be accepted. Skaters should have a duplicate copy of their music in the arena. Vocal music will be permitted except in the Novice, Junior and Senior Free Skate and Pairs events. The Referee will deduct 1 point from the total score if vocal music is used in those events. All program timings listed include a 10 second +/- leeway unless "maximum" time is specified.

SYSTEM OF JUDGING

The ISU Judging System (IJS) will be used for all Free Skating events Preliminary through Senior, as well as Adult Gold and Masters. Competitors in IJS events will be required to submit a planned program content sheet with their entry forms for the Short Program (if applicable) and Free Skating. All other events will use the 6.0 judging system. Items not specified in this announcement will be resolved by the Referee in accordance with the current Rulebook.

Please be sure to refer to the US Figure Skating website for current rules for IJS short programs and free skates, as some rules may have recently changed.

DIVISION OF GROUPS

Events with twelve (12) or more entries may be divided into groups by age (Pre-Preliminary and below) or by draw (Preliminary and above). The skater's age as of the closing date of entries (August 15, 2010) shall govern in all matters dealing with age. If an event is divided into groups, there will be no final round.

Practice Ice sessions are \$15.00 for a 30-minute session, and will be divided and scheduled according to skating level. An application for Practice Ice is included in this announcement. Credit for jumps and spins will be based solely on their choreographic effectiveness. Two marks will be given. The first is for Technical Elements; the second is for Program Components. The Program Components (second) mark shall break the tie in an individual judge's total marks.

1. In marking Technical Elements the following shall be considered:
 - a. The ease, flow, glide, sureness, power and depth of the edges.

 - a. Prohibited jumps.
 - b. Prolonged lying on the ice.
